

greatest kits

Time, money, and sanity are sometimes best saved in your own bathroom. A do-it-yourself kit is like a perfectly stocked beauty pantry, filled with all the ingredients you need to do the salon thing at home.

for impeccable brows:

Christi Harris Precision Brow Planning System

Surely the world's most comprehensive brow kit. It comes with three brow powders that blend with all hair colors, a brow-filling cream for sparse patches, a highlighter, brushes, and a brow planer (a razorlike gizmo that slides painlessly across skin to extract hairs). Breathe easy: A Web tutorial shows you how to use everything. *To buy: \$40, christiharrisbrows.com.*
